Sierra Nevada Children's Services began in 1978 and has survived because of continued commitment to our mission of enriching the community by supporting quality child care and empowering families to aspire to lifelong success.

At Sierra Nevada Children's Services, fiscal year 2010-2011 was a challenging one indeed. It saw the departure of a long term Executive Director, a number of staff positions eliminated or realigned due to substantial reductions in funding, and several Board members departing the organization. Despite these challenges, we have continued our mission without interruption. With a dedicated staff and Board of Directors we are looking forward to our future with anticipation and excitement.

We see the next year as a building year, reinforcing our committed Board of Directors and supporting a dedicated staff. In these difficult economic times child care, like many other public programs, has suffered, however at Sierra Nevada Children's Services we are dedicated to continuing our high level of support for child development, as we know that strong and healthy child development translates to a healthy adulthood. After all, our future leaders are today's children.

Dick Law, Board Chair Dennis Fournier, Executive Director

Every piece counts

THANK YOU

To EVERYONE at Sierra Nevada Children's Services

There really are no words that can adequately explain how much I value this organization and how much what you have done for our family has meant. Without your help and support, I would never, EVER, in a million years have been able to go back to work and entrust my son to someone as amazing as Carolyn

Sierra Nevada Children Services has changed my life and has allowed my son's early years to be incredibly enriched!

With so much love, Heather and Kyler

TESTIMONIALS

Dear Sierra Nevada Children's Services

Well guess what? I got a job!!!! Yes I did, as a real PA! I will start in a couple of weeks and take my boards in 9 days.

Thank you. I would really like to personally send a note to the board to let them know that there is one more family out there who has directly benefited from the services of Sierra Nevada Children's Services. The work they do really counted for us and truly, for us, I felt like God opened a door through Sierra Nevada Children's Services. Plus, you all were so kind all along the way. Keep up the excellent work and thank you so much for your patience and assistance. Our community is a better place because of Sierra Nevada Children's Services.

Best regards, Amanda
