

## Membership Information

Regular Membership year is from January 1 through December 31. Members joining during the year will receive all back issues of Young Children magazine. Membership must be in the name of an individual only.

**\*Student Members**, must be enrolled in a minimum of 6 units with an E.C.E./ Child Development major. Provide verification of college registration.

**Comprehensive Members**, in addition to regular benefits, receive new books published by NAEYC during the year.

National Level Life Memberships are available. Contact your local representative for more information.

**Membership Guide**

## Why You Should Join

If you are looking for an organization that:

*...speaks on behalf of the needs of young children and their families*

*...promotes opportunities for teachers and parents of young children*

*...gives exposure to the newest resources for working and living with young children*

*...encourages and promotes professionalism in Early Childhood Education*

*...cares about you and children*

Then join an AEYC group and you'll become part of the nation's largest membership organization of early childhood professionals and others dedicated to improving the quality of services for young children and their families. NAEYC's nearly 95,000 members believe in the importance of the early years—birth through age 8—the critical years of development.
