

Hi!

My mom had to leave my dad because he hit all of us a lot. She was real scared. We had no place to live. When my mom called **Sierra Nevada Children's Services** and they helped us find a safe place to live.* They found someone to take care of my brother and me, where they give us good meals and teach us things**.

We feel safe there. People from **Sierra Nevada Children's Services** come and check on us to be sure we are learning things and that we are happy. My mom is so glad she called **Sierra Nevada Children's Services**.
